

# BRICK THE CREEK

A SOPE CREEK FOUNDATION SPONSORED FUNDRAISER.

Brick the Creek is an ongoing effort to have memories placed for generations to come. As you wander along the various paths around Sope Creek, you will notice engraved bricks with names of Sope Creek families, friends, teachers, administration and other supporters of Sope Creek. Through your purchase of a brick, you can create a memory to last a life time while supporting the fundraising efforts of the Foundation. Bricking the Creek is one of the newer endeavors of the Foundation. The Foundation hopes that this program will continue to grow; ultimately leaving a legacy for Sope Creek while raising money to go back to our students.

If you are interested in purchasing a brick, please use the back of this flyer. For additional flyers, please check the website. Brick order deadlines will be on November 17 th and May 3 rd .

Bricks are a wonderful way to recognize an extraordinary teacher, a graduating fifth grader, a person in the Sope Creek family who has gone above and beyond or a wonderful family heirloom.

Yes, I would like to support The Foundation with a brick purchase! I understand that because I am receiving a brick for my contribution, I will not be receiving a letter of tax deduction.
